DAY 2: THE GOLDEN CIRCLE - GEYSERS & WATERFALLS

Today you will visit some of Iceland's most famous attractions with a guided personal small group tour of the classic "Golden Circle" route in South Iceland. One of the many highlights on this journey is Þingvellir National Park, a place of great historical and geological significance that is also listed as a UNESCO World Heritage site. Þingvellir is the site of the country's first parliament and is located along the edge of the great rift created by the drifting of the Eurasian and American tectonic plates. Other attractions include the beautiful two-tiered Gullfoss waterfall

and the spouting hot springs of Geysir. While Geysir lies dormant, its neighbour Strokkur erupts every few minutes, gushing steam and water from the bowels of the earth. A taste of Icelandic food and drink is included during the tour. On return to Reykjavik, you will see the beautiful waterfall Faxi.

Spend the night in Reykjavik.
