DAY 2: DECEMBER 31 - GOLDEN CIRCLE & NEW YEAR'S FESTIVITIES

Visit some of Iceland's most famous attractions with a guided small group tour of the classic "Golden Circle" route in South Iceland. One of the highlights on this journey is Þingvellir National Park, a place of great historical and geological significance that is also listed as a UNESCO World Heritage Site. Other attractions include the beautiful two-tiered Gullfoss waterfall and the spouting hot springs Geysir and Strokkur. A taste of Icelandic food and drink is included during the tour. On return to Reykjavik, you will see the beautiful waterfall Faxi.

Tonight at 19:00, the holiday festivities kick off at an exclusive New Year's Eve party hosted by Nordic Visitor. This New Year's celebration takes place at Gamla Bíó, a beautiful venue in the heart of downtown Reykjavik. This party is more than just dinner and drinks. Guests will be able to attend a traditional bonfire where Icelanders gather to sing songs about the hidden people. You will also enjoy entertainment at the venue, and have a delicious 3-course dinner, topped off with sparkling wine at midnight. You will be treated to a roof top view over Reykjavik harbour for the fireworks at midnight. It will be quite the show! Once the exclusive celebration finishes, you can continue the party, like the locals, in the city centre with music and dancing late into the night.

Please note: the party has an age limit of 12 years. If you are travelling with younger children, please contact us; we will be happy to offer an alternative option for dinner on New Year's Eve.
